Define Your Legacy . . .

Charitable giving is an important consideration for many people. When giving is planned, it can be a powerful way to affirm your values and priorities and leave a lasting legacy. Estate Planning is easy. It can be as simple as altering your will or changing the beneficiary on your IRA or insurance policy. Charitable giving as part of Estate Planning is now embraced by people of all economic statuses. You do not need to be wealthy to be a philanthropist. Even a modest gift impacts a life!

Your gift to the front Door Agency will ensure families are given access to safe, affordable housing while they rebuild their lives through higher education and life skill training opportunities. A charitable gift to the Agency provides a helping hand to each family as they stabilize, transform and flourish into independence and self-sufficiency.
