Providing a Holistic Approach to Combating Homelessness

Transformational Housing

provides affordable housing, life and budgeting skills, educational opportunities, extensive case management, and supportive services to single and expectant mothers between the ages of 18 – 35.

Affordable Housing

provides a 6-unit and 2-unit permanent, affordable housing to families who are 60% of area median income. Mary's House offers 40-units, serving homeless single women without children.

Housing Stability

helps to ensure that individuals and families who are at risk of homelessness retain their current housing status or are able to obtain a new permanent residence if homelessness occurs.

Youth Homelessness Demonstration Program

provides homeless youth ages 18 to 24 with safe, stable temporary housing to help them get back on the path to success. Two locations are run by the Agency with a total of nine bedrooms available in communal apartments designed to provide both physical and social support to this client base.

Project Joy

pairs families in need with community members that fulfill their wish lists. In 2024, 120 individuals, businesses, and organizations donated toys, warm clothing, and food to 505 local children.
